

NORWEGIAN MINISTRY  
OF HEALTH AND CARE SERVICES

# One Patient – One Record

Kristian Skauli

Turku, 28.05.2013

# Health and care sector in Norway

## Population 5 mill

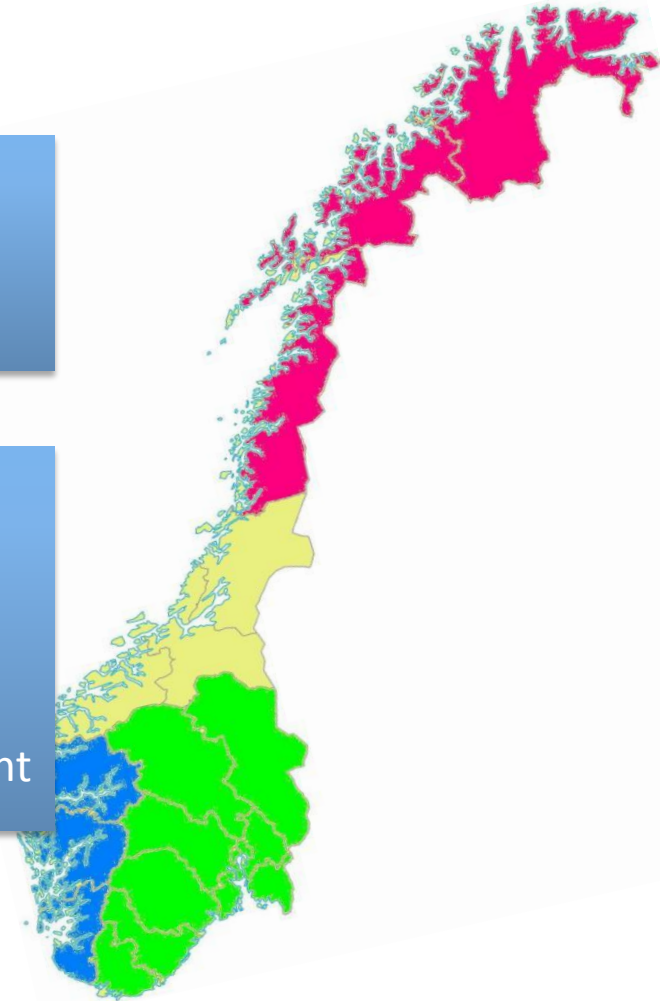

- 250 000 employees in health and care sector

## Primary care

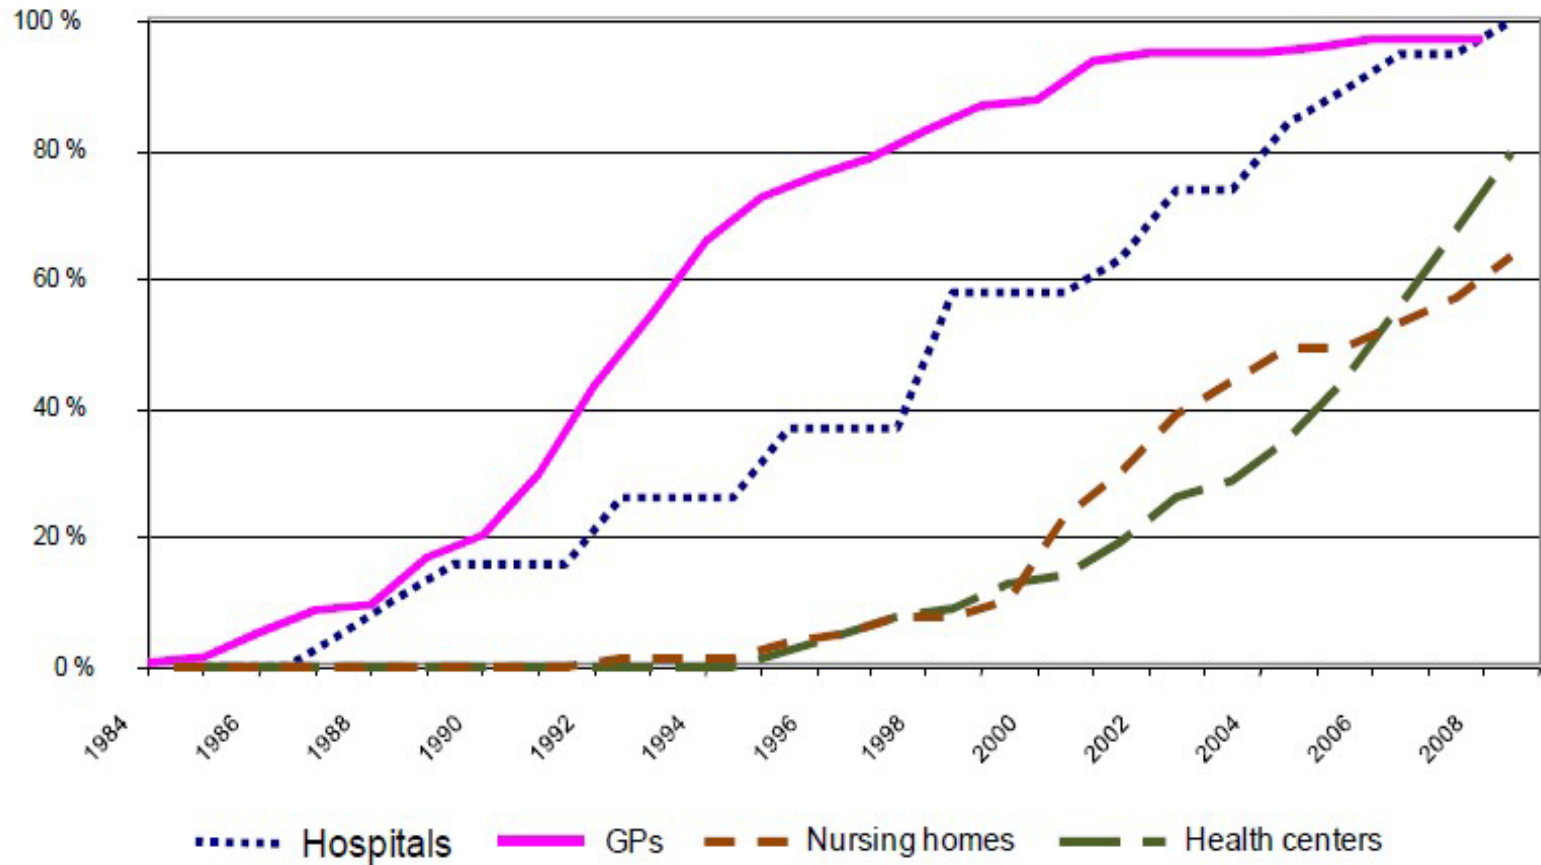

- 428 municipalities
- 4100 GPs (private) in agreement with their local municipality

## Specialist care

- 4 regional health authorities, 24 health trusts, 70 hospitals
- Owned by the government

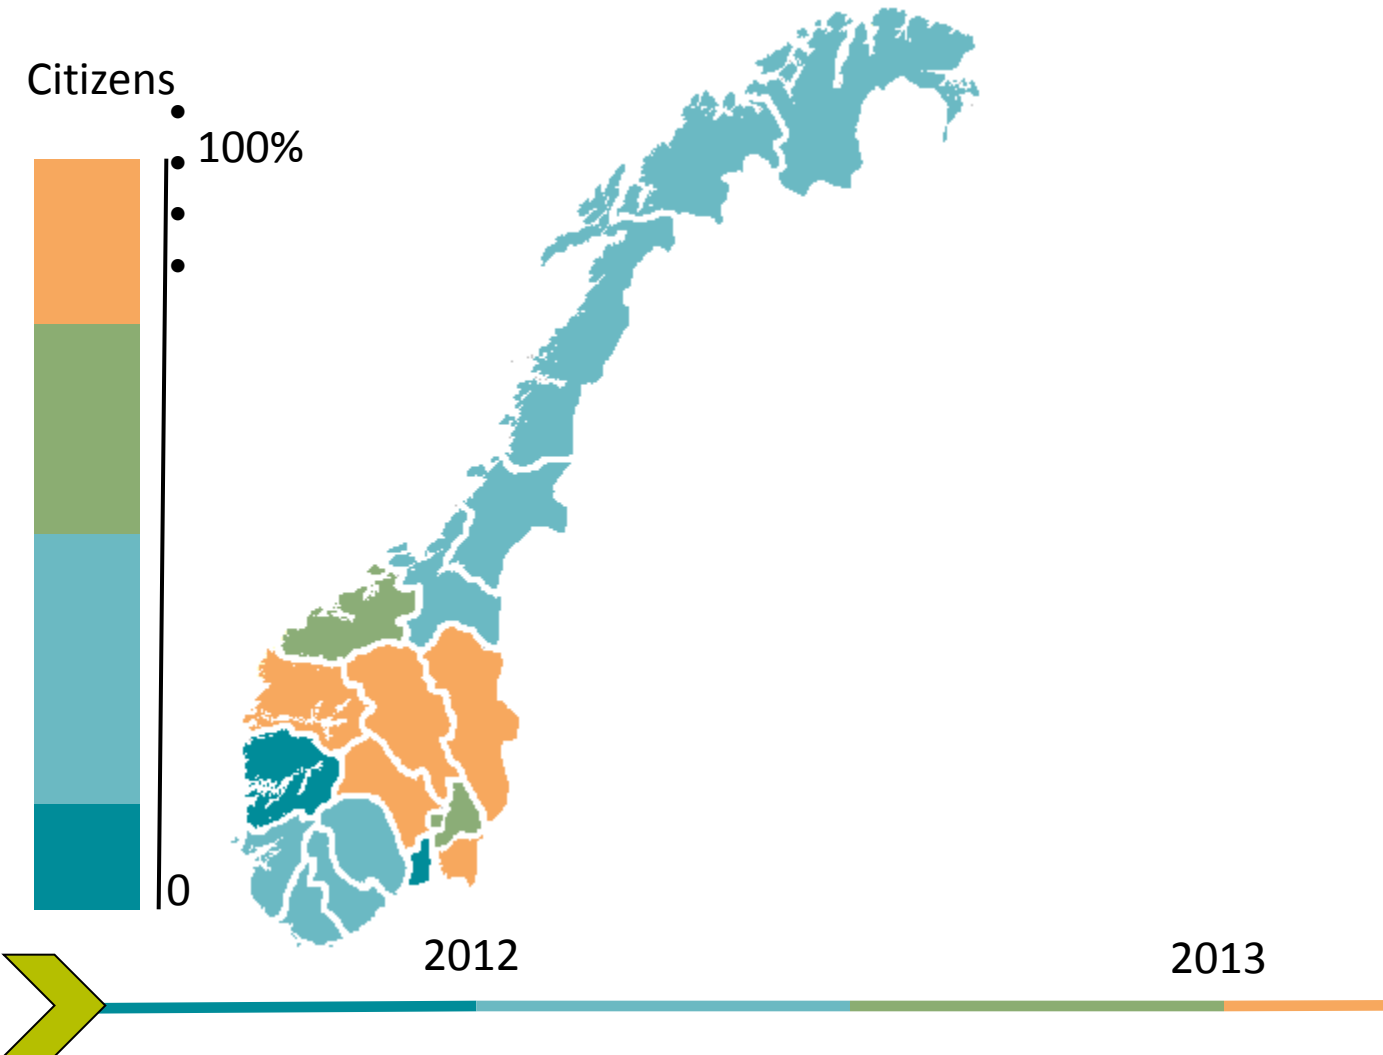

# EMR deployment (1984-2010)

# Infrastructure: The Norwegian Health Net

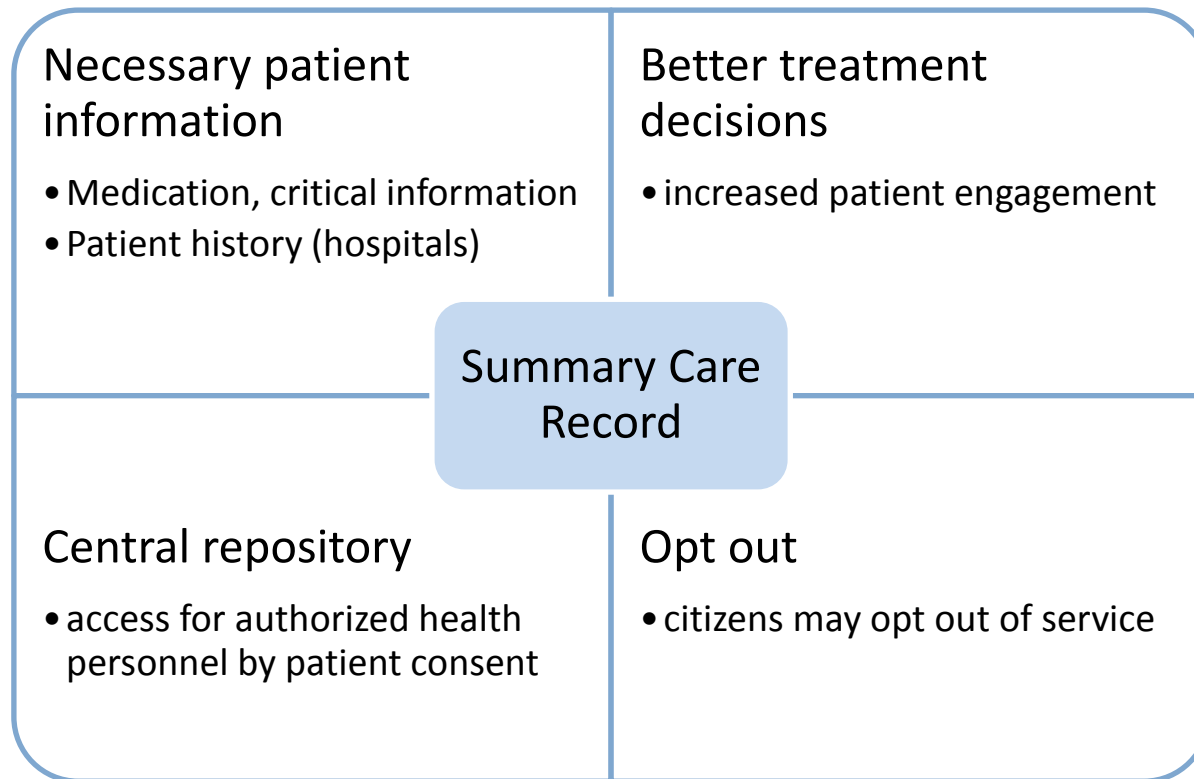

# Electronic prescriptions

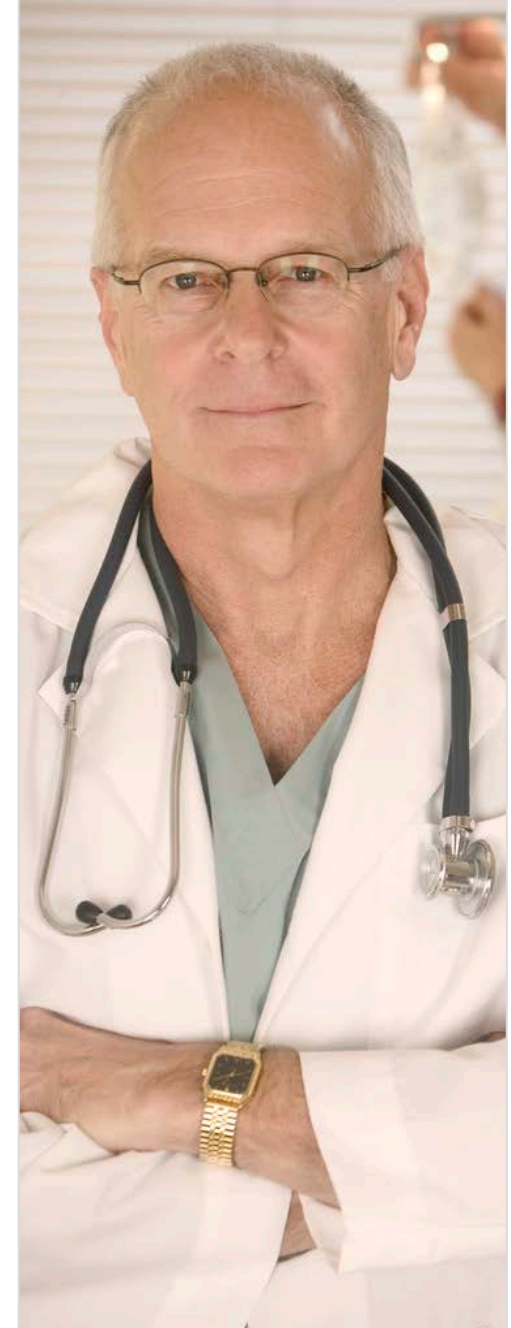

- Users involved in development
- Structured medicine information
- Better overview for physicians
- Nationally coordinated roll out from 2011 to 2013

# National Summary Care Record

Pilot 2013

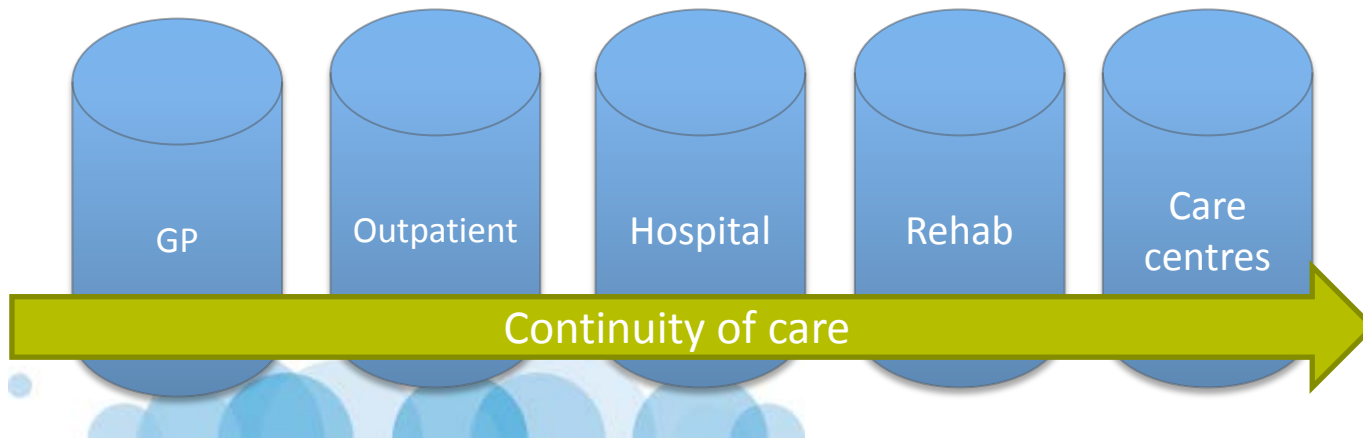

# National Health Portal, helsenorge.no

# Challenges

- The technological possibilities have not been used
- Many independent organisations
- Many IT systems, little integration

## Meld. St. 9

(2012–2013)

Melding til Stortinget

Én innbygger – én journal  
for alle tjenester i helse- og omsorgssektoren
